## About us

Guangzhou Garbo International Trading Company is a joint-stock industrial and trading enterprise that specializes in R&D, Production, marketing and brand management, the products range includes ceramic tableware, glassware, flatware. Among them, the ceramic tableware is one of the main section of our business.

Garbo ceramic main production factory areas are located at Chaozhou Guangdong province ,Shuozhou in Shanxi province,Linyi in Shandong province, parts are produced at Hunan,Henan,and Guangxi province. The raw material covers Bone China, New Bone China, Ceramic, Porcelain, Stoneware and etc.

Our company have advanced ceramic production technology and strictly quality control system. From the raw material screening, molding, baking in the kilns, post-processing, finished products selection, packing, as well as the logistics, after-sales service, each stage is under strict control to make sure the goods reach the quality standard and client satisfaction.

At present our company passed social responsibility management system such as BSCI, SEDEX, SA8000 etc,and quality management system ISO9001, and environmental management system ISO14001 etc. Our ceramic products have been exported to more than 100 countries and regions in Europe, North American, South American, Southeast Asia, the Middle East, and Africa countries. We look forward more partners to expand the market prospect.

Over the years, Garbo International has been able to meet different consumer requirements of various regional markets,with continuous and professional design and development ability. In order to provide quality products and service, Garbo International constantly optimizes its production management standards,products development plans and market development strategies.
